

# DAM BUSTERS

## Dragons Abreast Melbourne

We are a group of breast cancer survivors of various ages from a diverse range of backgrounds, athletic abilities and interests.

High on our list of priorities is having fun, trying new things, meeting interesting people and being involved in a challenging physical activity whilst promoting breast cancer awareness.

Dragons Abreast provides a "face" for breast cancer statistics whilst spreading the message of breast cancer awareness through participation in the wonderful and strenuous sport of dragon boat racing.

If you want to:

- *Get fit*
- *Make new friends*
- *Have fun and get in touch with your competitive side*

Then Dragon Boating is the sport for **YOU!!!**

We invite all breast cancer survivors and supporters to come and experience the magic that is part of our unique team - not necessarily as a paddler; there are many tasks that we welcome assistance with.

We paddle at Docklands so you get a fantastic view of Melbourne while you paddle!
