

Hello all paddlers!

Wasn't that a great weekend at Chinese New Year in Sydney! Our club formed a combined team with Gold Coast Dragons and after several weekends of practice we were thrilled to come in third in the DAA category. Now we have a trophy to share.

Tired but triumphant Rainbow Dragons

Our small group of supporters formed part of the Breast Mates team who distinguished themselves by making it all the way to the B finals and ending up 12th out of 72 corporate teams many of whom were much younger and with more men as well. What stars!

Brilliant Breastmates

We have recently been given a nice little marquee to keep us shaded when we attend regattas. We are very grateful to the kind ladies from Brunswick Valley Quota club who donated the money for this.
